

During the short
time I was sitting in
the waiting room,

The Android's
host is a human...

Even if it's in
a human body,
he's just wearing
another mask!

What if part of
his original soul
is still there?

Over and over again, I
thought about the kind
of conversation I should
have with the art director.

I'm trying to
see things in a
positive light.

Everything about me
at the time was lacking.

But I need to
talk to him first.

I can't just
attack him without
warning...

My thoughts, my goal, my
execution, and even my heart.

I'm sorry, did
the two of you
wait for long?

LORE MANGA

Uhh... Mr. James?

What are
you doing down
there?

LONE MARYSA

...I want to ask
you some questions.

I want to know
where my father's
killer is.

I know of
monsters that
feed off a human's
consciousness
paradoxa.

Did you know that
this paradox used
your son's body in
order to...

...commit
terrible crimes?

SPLAT -

LONG MANGA

The blood
is...

Right... If he's
bleeding, I just
need to close
the wound.

We should move
him to the outskirts
of town, since my
powers are being
suppressed in
Hollan.

Ryōma

That hand is
already dead.

His vessel has been drained of life, as the soul has departed the body already.

LONE MEKA

You almost hurt him.

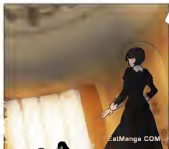

Ah...
